

CHRISTMAS ORNAMENTS

LIMITED EDITION 2005 – ORDER FORM

Since 1984, WEBSTER'S STORE in Cambridge created beautiful glass Christmas ornaments depicting Dorchester County's most treasured locations. The RICHARDSON MARITIME MUSEUM proudly continued this wonderful tradition in 2005.

The *Maryland Dove*, built in 1978 by Dorchester County's Master Boatbuilder "Mr. Jim" Richardson, is a replica of the vessel that brought settlers from England to our beautiful shores in 1634. Each frosted-white glass ball, printed in lovely shades of blue, red and brown, comes attractively gift-boxed. (Stand not included.)
